*Discovery Light = the capability of retrieving data based on user/custodian and date range only.

Feature	A0	A1	A2
	Compliance Storage	Compliance Standard	Compliance Premium
Ingestion			
Regulatory Compliance document storage with retention	✓	✓	✓
Data stored in native format	✓	✓	✓
Smart Cabinets with Index Schema	Unlimited	Unlimited	Unlimited
Multiple storage tier support at Smart Cabinet level (Cool, Hot)	✓	✓	✓
Multiple storage redundancy levels (Local, Zone, Geo)	✓	✓	✓
Support for additional document level metadata	✓	✓	✓
Predefined Smart Cabinet types		✓	✓
User defined Smart Cabinet types			✓
Rest API SDK for third party ingestion	✓	✓	✓
Index			
Single Smart Cabinet index		✓	✓
Cross Smart Cabinet index			✓
User defined index date range		✓	✓
Individual index management (append, delete and recreate)		✓	✓
Full text index support for over 3,000 file types			✓
Multiple indices for same Smart Cabinets (cost optimization)			✓
Power BI index analysis and usage metrics			✓
Search			
Date and custodians/owners based search		✓	✓
Azure full text search			✓
Intelligent metadata and full text single pass searching			✓
Advanced custom metadata search			✓
Support for advanced search methods (field-scoped, proximity, Boolean, regex, etc.)			✓
Saved search results		✓	✓

eDiscovery				
	Quick search		✓	✓
	Legal review (document, saved search level)		✓	✓
	Cross Smart Cabinet discovery			✓
	Production assignment (document, saved search, category level)		✓	✓
	Custom tags/categorization (document level)			✓
	Legal hold at search result & production level			✓
	Granular permissions at user level (search, review, categorize, export, etc.)		✓	✓
Case Management				
	Multiple case management			✓
	Multiple saved searches per case			✓
	Granular access control per case			✓
Data Production & Management				
	Data export in native format	✓	✓	✓
	Data conversion to PDF with integrated bates stamping			✓
	Bates stamping supported at case level			✓
Retention				
	Smart Cabinet & Document level retention	✓	✓	✓
	Regulatory retention extension & enforcement	✓	✓	✓
	Custodian level retention policies			✓
	Custodian legal hold			✓
	Custodian level retention extension			✓
Disposition				
	Multiple active disposition policies	One per cabinet	5	10
	Date based disposition policy	✓	✓	✓
	Smart Cabinet based disposition policy	✓	✓	✓
	Custodian based disposition policy		✓	✓
	Category/tag based disposition policy			✓
	Case/search result based disposition policy			✓
	Cross Smart Cabinet based disposition policies			✓
	Disposition policy destruction report at document level	✓	✓	✓
	Legal compliant disposition reports	✓	✓	✓
Compliance Audit				
	Compliance auditing at document level of: retention set/extension, read, disposition and disposition attempt	✓	✓	✓
	Ingestion chain of custody tracking & reporting with FastCollect usage	✓	✓	✓
